

Chris Mussman
Head Coach
First Year

The 2008 UND Coaches Clinic will emphasize football fundamentals and a variety of drills for all positions.

Our format will include an evening of individualized and group drills presented by the UND coaching staff, followed by featured guest speaker Dave Nelson of Minnetonka High School. The next morning will

feature sessions by 9-man and 11-man coaches and will conclude with the annual UND spring game.

Prior to the spring game, all coaches are invited to attend tailgating events outside the Alerus Center and admission to the spring game is FREE of charge.

Our clinic will provide coaches at all levels with an opportunity to benefit their programs and student-athletes.

In one weekend, we hope to be a valuable resource to your football program. I hope to see you there!
