

HEAD COACH BRIAN JONES

CAMP COUNSELORS

Brian Jones is in his second year as head coach at the University of North Dakota, the premiere institute of higher education in the three-state region of the Upper Midwest. Under the tutelage of Jones and his staff, the Fighting Sioux have shown marked improvement, restoring the program's history of dominance as it transitions to NCAA Division I. UND completed its last season in Division II in 2007-08 and will be an NCAA Division I institution in 2008-09.

"I invite you to attend the University of North Dakota Men's Basketball Camps. We are confident our camps are the best opportunity in the Upper Midwest for players of all ages to learn the game and improve their skills in an exciting and fun atmosphere. Our camps will offer instruction from the University of North Dakota Men's Basketball staff and players and the finest area college and high school coaches. Our camps are designed to help each individual camper become the best player possible. Hope to see you this summer!"

The UND Basketball Camps will use a number of facilities across the beautiful University of North Dakota campus. Campers receive full use of the Betty Engelstad Sioux Center, the home to the UND basketball programs, and the former home of Fighting Sioux sports, the Hyslop Sports Center, which has eight courts in its main arena and the multipurpose gymnasium. In total, campers have access to 11 full courts.

Housing

Basketball resident campers will be housed in campus residence halls. Dormitory space may be limited. Please apply early to ensure housing availability.

Supervision

Check-point program, offers daily check-in times. (Grades 9-12):

All campers entering grades 9-12 beginning Fall 2008, and who will be staying on campus will be housed in the university's daily check-in program. This program has four daily camper check-in times throughout the scheduled camp itinerary. The check-in is the responsibility of the camper and takes place after breakfast, lunch, and either before or after dinner, or at bed check. Campers will be restricted to campus property; however, they will be able to visit all campus facilities (except the university's summer school hall and adult conference center) without being accompanied by a university employee.

Supervised Program (Grades 3-8):

All campers entering grades 3-8 beginning Fall 2008, and who will be staying on campus will be housed in the university's supervision program. This program offers controlled boundaries and no flexibility for on- or off-campus private time for the camper. Campers are escorted to and from all scheduled activities throughout camp. In addition, campers have limited time in their residence hall room during scheduled nightly programs.
