INSTRUCTION AND SUPERVISION

Professional instruction will be provided at all times. We will teach football skills in a fundamentally sound way and strive to improve each athlete's individual skills. We stress overall conditioning and proper strength training techniques and will offer kicking game sessions during the elite camp.

Athletic training facilities are available during the camp and a certified athletic trainer will be on site at all times during the sessions.

All campers must be entering grades 9 through 12 (beginning Fall 2009) and will be housed in the University's daily check-in program. This program has four daily camper check-in times throughout the scheduled camp itinerary. The check-in is the responsibility of the camper and takes place after breakfast, lunch and either before or after dinner and at bed check.

Campers will be restricted to campus property. However, they will be able to visit all campus facilities (except the University's summer school hall and adult conference hall) without being accompanied by a University employee.

CAMP ENROLLMENT

To pre-register, complete the form attached to this brochure and return it along with a waiver liability form (downloadable at www.fightingsioux.com) and a **\$50.00 non-refundable deposit to the address listed**. Cancellation of enrollment will be accepted for medical reasons only and requires a \$15 University administrative fee. The balance of the camper fees is due upon registration on the first day of each camp.
